

ACKNOWLEDGEMENTS

This module is one of a complete set entitled *Integrating Poverty and Gender into Health Programmes: A Sourcebook for Health Professionals*. It was prepared by a team comprising Sarah Coll-Black and Elizabeth Lindsey, consultants and principal writers, Anjana Bhushan, Technical Officer, Health in Development, and Kathleen Fritsch, Regional Adviser in Nursing at the World Health Organization's Regional Office for the Western Pacific. Mario Festin and Khine Sabai Latt provided valuable comments. Breeda Hickey provided supplementary technical inputs and did preliminary editing of the module. Rhonda Vandeworp did the final editing. Design and layout were done by Zando Escultura.
